

## **SCHOOL-FAMILY-COMMUNITY COMPACT**

The staff and parents of Easton Elementary School have high expectations for themselves and their students. In attempting to provide the highest quality instructional program to our students, the staff and the parents agree to implement the following programs and activities:

### **Easton Elementary School agrees to:**

- Provide a safe, drug free environment for students;
- Provide an academic program that is rigorous and challenging;
- Provide parents with current information regarding school policies, practices and student performances;
- Meet with parents to explain Title I programs;
- Conduct conferences with parents at least two times per year, with follow-up as needed;
- Provide parents with information regarding how parents can foster learning at home, give appropriate assistance, monitor homework and give feedback to teachers.

We believe that the process of education is a partnership involving the child, the home, the community and the school. It is the schools purpose to support the community and its families in whatever manner is necessary and reasonable in its ability to do so, and likewise it is the family's responsibility to support the child and the school.

### **Parents/Guardians can support the school by:**

- Sending children to school on time, dressed appropriately and prepared to learn;
- Limiting the amount of time children watch television;
- Reading to their children at least 15 minutes per night;
- Attending at least one parent/teacher conference;
- Assisting children on homework to ensure completeness and accuracy; and
- Supporting the Easton Parent/Teacher organization.
