More information is available on the state of Maine web site:

The EPCO is sponsoring this year's Maine Recycles Week poster contest. Attached is the entry form to be filled out and attached to each student's poster entry.

The slogan of Maine Recycles Week 2009 is “**Maine Recycles – Thanks to You!**” Posters may or may not include the slogan, but they should focus on recycling, buying recycled, or composting in Maine. The MRW Steering Committee also invites students to develop recycling mascots for their schools or towns. Depictions of mascots (either photographs or drawings) could be entered into the MRW 2009 Poster Contest.

The Maine Recycles Week Steering Committee will recognize three schools and each will be awarded a \$500 cash prize. Last year, Easton Elementary School was awarded \$250 for their efforts during Maine Recycles Week.

Please have your child create their poster and return it to school with the **completed Official Entry Form.**

Winners of the poster contest will have their art work included in the 2010 Maine Recycles calendar.

All entries must be returned to school by November 19th.
